INDEX

PLEASE read the following pages **BEFORE** you start completing the entry forms! If you have any questions, please contact the show secretary. Please see www.asca.org for ASCA® show rules and regulations for Junior Showmanship and Conformation. The following information are for all participants, regardless if their dogs are entered in Junior Showmanship and/or Conformation and for all visitors!

Shows held by ASEA are ASCA® sanctioned events and therefore the club and all participants have to abide the rules and regulations set up by ASCA®. You as a participant agree to do so by signing the ASCA® entry form. With your signature you also agree to abide any other rules and regulations set up by the host club, so please read the following thoroughly!

Altered Conformation: See ASCA® show rules and regulations. **A copy of the ASCA® registration certificate MUST accompany all entries for dogs over 6 months of age, please add tail length information if not given on the copy!**

ASCA®-registration – entries 2-4 months and 4-6 months: If available, please include a copy of the Individual Dog Registration Application (please add tail length information). You can enter for the classes 2-4 months and 4-6 months without proof of registration, please note the tail length on the entry form then.

ASCA®-registration – entries for all classes from 6-9 months on: Please send a copy of the registration certificate with your entry, if you have applied for registration, please note on the entry form! If the tail length is not given on the copy, please add it. We want to make sure in our catalogues that NBT are not mistaken with docked dogs. If you enter a docked dog born after June 1, 1998, enclose a copy of the indication letter from the vet who did the surgery giving the reason why the dog was docked and when, full address and phone number of the vet in German or English!

Please note: Australian Shepherds 6 months or older first day of show are NOT ELIGIBLE TO START WITHOUT PROOF OF REGISTRATION **and** the fact that your dog is not yet registered does NOT mean that we will make an exception when it comes to paying the entry fee in time!

Please make sure that while you are in the ring showing your dog, you are not wearing clothes/caps/belts that could identify you or your dog, e. g. shirts with your kennel name or your dogs name on it, are not permissible.

Authority as householder: Your host, ASEA has the authority as householder during the show. Please note that all things that block emergency exits and/or entries or are disturbing in any other way are to be removed immediately if we ask you to do. Dogs have to stay on lead on the whole showground!

Vaccinations:

Please check if your dog's vaccinations are current BEFORE you leave for the shows. Double check if your vet has included the date on which the vaccinations have to be refreshed in the vaccination card/vaccination certificate, some vets tend to forget that they have to include the "best before end" date! We will check the vaccination card/certificates before we hand out the start numbers. Dogs without vaccination cards/certificates and/or insufficient vaccinations are not allowed on the showground, this includes visiting dogs! All dogs have to have sufficient vaccination against rabies, vaccination must be at least 21 days old, repetition vaccination as stated by the vaccine producer.

Exception: For dogs younger than three months and therefore without rabies vaccination the following applies:

Coming from EU-member-countries they can be shown if:

- they are accompanied by their mother who is current on vaccinations (noted in her vaccination card/certificate)
- If the mother is not with them, the puppy itself has to have a vaccination card/certificate that states that the puppy was only kept at home and had no contact to wildlife animals before being brought to the showground
